Meanwhile, reliance on Article 5.10 of the Law on the Status, Immunities and Privileges of Diplomatic, Consular Missions and Personnel in Kosovo and its International Military Presence and Personnel is not a relevant legal basis because it does not provide for the possibility of issuing this bylaw. Therefore, it has been concluded that there is no relevant legal basis for the issuance of this Administrative Instruction, so it is considered that it was not issued in accordance with applicable Law. However, we have recommended that since it is considered as an important bylaw and in order not to create a legal vacuum, then the legal basis should be created when amending / changing the Law and harmonizing.

Indeed, Article 5, paragraph 1.5 and Article 8 of Law no. 06 / L - 122 on the Ministry of Defense, Article 23, paragraph 6 of Law No. 06 / L - 123 on the Kosovo Security Force and Article 25, paragraph 2.5 of Law 06 / L - 124 on Service in the Kosovo Security Force Kosovo, refers to the issue of the right to education, training, etc. of the staff of the Ministry of Defense and the Kosovo Security Force, but nowhere does it explicitly provide that for a more detailed regulation of this issue, the Minister to issue an act bylaw.

The relevant Regulation (as well as the previous one) is in line with the Acquis and is derived in the spirit of the EU "framework" Directive in the field of Occupational Safety and Health: 89/391 / EEC of 12 June 1989 (and Directives supplementation) on the implementation of measures to encourage improvements in occupational safety and health for employees, as in the original title "Council Directive 89/391 / EEC on the introduction of measures to encourage improvements in the safety and health of workers at work" .

Register of Bylaws	The sublegal act is legally grounded and therefore remains into force.	This Regulation has defined the legal basis for its issuance where in Article 9 paragraph (2) of Law no. 05 / L-077 is emphasized, I quote "MLSW issues a bylaw on the manner of providing active labor market measures" Therefore, It has been concluded that the relevant Regulation has been issued in accordance with the defined legal basis, and has repealed Regulation no. 01/2012 on Active Labor Market Programs. This regulation does not need to be amended or supplemented.

Official Gazette of the Republic of Kosovo	Amend and supplement the sub-legal act	This Regulation does not precisely define the legal basis for its issuance when referring to paragraph (1) of Article 17 of Law no. 04 / L-092, as the relevant paragraph speaks only about the composition of the Medico-Social Commission, but does not have any reference to the functioning and / or authorization of the Ministry (MLSW), for the issuance of the Regulation regarding the categories referred to by the Law on Blind Persons. Therefore, It has been concluded that the relevant Regulation has shortcomings in the reference to the legal basis, where in addition to paragraph (1) should be included paragraph (2) "second successor" which paragraph clearly contains references to the Functioning of the Commission [...]. as well as the authorizations of the Ministry in terms of issuing the relevant Regulation, as follows, I quote: "The functioning of the Medical-Social Commission is done according to the regulation approved by the relevant ministry." It is also worth noting that the version of the Official Gazette, where this regulation was issued, does not include the date of approval (only the year 2018 is mentioned), but only the date of publication, so in the introduction I intentionally emphasized "Date of publication".

Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	This Administrative Instruction does NOT define the legal basis for its issuance, as in paragraph (4) of Article 49 of Law no. 03 / L-212, speaks only about the fact that "for the next 3 months maternity leave is paid by the Government of Kosovo with compensation of 50% of the average salary in Kosovo" but not specifically in the authorizations of the Ministry (MLSW) in issuing bylaws by this field. We must keep in mind that currently we have not yet adopted the Law on Maternity Leave and as a result of this situation, in relation to maternity leave, we continue to be served by the provisions of the Labor Law. Therefore, It has been concluded that the relevant Instruction does not have a clear legal basis, in terms of authorizing the competencies of the Ministry to address the relevant issue, therefore it is proposed to Amend / Supplement the Basic Law.

This bylaw can not be considered as having a proper legal basis the provisions of this Law for setting administrative fees for construction permits and demolition permits fees for infrastructure regulation has left it to the competence of the competent bodies (municipalities) in consultation, with the ministry. Therefore, nowhere is it specified that the ministry will issue a bylaw to determine them, but the fees and taxes coordinated with the municipalities have determined that they will make them public on their websites. The wording used in this provision is very general, however, from the research done on this Law we have not found anywhere that gives the minister the right to issue a bylaw regarding the setting of fees for issuing consents, permits, licenses, certificates and attestations provided by nature protection legislation. Therefore, it is recommended that if the Ministry deems it necessary to remain in force of this instruction, then to create a legal basis, expressly providing for the issuance of this administrative instruction that would regulate in more detail the issue of setting fees for issuance of consents, permits, licenses, certificates and attestations provided by nature protection legislation, otherwise it should be repealed. Official Gazette of the Republic of Kosovo	Repeal the sub-legal act	This recommendation comes as a result of the fact that in the Law on Cadastre we have not encountered any legal provision which in a taxative manner provides for the issuance of an Administrative Instruction which would refer to the registration of expropriation of immovable property. Specifically, Article 4, which is presented in the preamble of this administrative instruction as a legal basis, is seen to refer to the right of the Minister to issue a bylaw regarding the responsibilities and organizational structure of the ACA, but does not provide for the possibility of issuing an AI for registration of expropriation of immovable property. Regarding Article 5 of Law no. 04 / L-009 on amending the supplement to Law no. 2002/5 on the establishment of the register of immovable property rights, regarding the implementation of Article 12 of Law no. 03 / L-139 on expropriation of immovable properties, states that the competent Ministry of Spatial Planning, within a period of six (6) months, issues bylaws for the implementation of this Law. While Article 12 of Law no. 03 / L-139 on expropriation of immovable property does not provide for the right of the Minister to issue an administrative instruction that would regulate in more detail the issue of registration of expropriation of immovable property. Therefore, in such a situation due to non-compliance with the legal requirements for the issuance of the bylaw, it is recommended to repeal or harmonize the Administrative Instruction with the Law on Cadastre by taxing the issuance of administrative instruction.

It is confirmed that article 7 of Law no. 04 / L-076 for the Police has no legal basis for the regulation of municipal councils for community safety. It means that for the issuance of this Administrative Instruction there is no relevant concrete legal basis provided in Article 7 of the Law in question. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.
682	REGULATION ON THE PROCEDURE OF MUNICIPAL INTERNATIONAL COOPERATION	Minister of the Ministry of Local Government Administration	18.12.2012	Constitution of the Republic of Kosovo; Law No. 03/L-040 on Local Self-Government; Law No. 02/L-010 on Inter-Municipal Cooperation; Regulation No. 02/2011 on the Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries	Official Website of the Ministry	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	It has been concluded that the legal support for the issuance of this Regulation has been made only in the title of the Constitution and Laws without mentioning the concrete legal basis that determines the issuance of the Administrative Instruction in question, respectively of legal issues that regulate it. It is considered that the issuance of this Regulation was done in violation of the legislation in force because it lacks the relevant concrete basis for regulating the procedure of international municipal cooperation. Also, this bylaw is in contradiction with Regulation no. 02/2011 on the Areas of Administrative Responsibility of the Office of the Prime Minister and the Ministries, because according to Article 8 sub-paragraph 1.4 it is foreseen that the Minister issues decisions, administrative instructions and memorandum of understanding, and not a Regulation as done in this case However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.
683	ADMINISTRATIVE INSTRUCTION NO. 2011/02 ON DETERMINATIONS OF PROCEDURES FOR IMPLEMENTATION OF THE LAW ON USE OF LANGUAGES	Ministry of Local Government Administration	04.04.2011	In accordance with Government Regulation 2011/2 on the Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries, Annex XII, Article 10 of the Law on the Use of Languages in Municipalities, Article 10, as well as the Law on Local Self-Government, Minister of Government Administration Local issued this:	Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	After analyzing the legal acts on which this Law is based for its issuance, It has been concluded that they do not provide a concrete legal basis for regulating the issue of process procedures for the implementation of the Law on the Use of Languages, respectively Article 10 of this Law. Indeed, Article 10 of the Law on the Use of Languages provides that "The Ministry of Local Government Administration issues administrative instructions on procedures according to which communities can express their requests in accordance with Articles 8.1, 8.2, 8.3 and 9.1 after promulgation of this Law 90 days after the promulgation of this Law ", which means that it has not determined that Article 10 of this Law regulates the procedure for the implementation of the Law on the Use of Languages. Therefore, It has been concluded that in the Law on the Use of Languages there is no relevant legal basis for the issuance of the Administrative Instruction in question. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.

It means that the bylaw in question has been issued in contradiction with the legislation in force. Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	After analyzing this administrative instruction, we see that this instruction was not issued in accordance with the legal provisions of the relevant Law. This is because the Law does not authorize the minister in any of its provisions to issue a bylaw such as this administrative instruction. Then, the instruction in question is invoked in Article 63 paragraph 3, which provision is general and contrary to the principle of legality. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the basis is established. legal concrete for its issuance.

In the transitional provisions, Article 38 of Law no. 04 / L-012 on fire protection, in a general manner, stipulates the issuance of an unlimited number of bylaws related to the conditions of fire safety and protection, in which Article supports this administrative instruction. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.
1065	ADMINISTRATIVE INSTRUCTION (MIA) No. 03/2020 ON ESTABLISHMENT AND DEFINING OF WORKING RULES FOR THE COMMISSION FOR APPEALS FOR CITIZENSHIP	Minister of the Ministry of Internal Affairs	27.07.2020	This Administrative Instruction is based on Article 33 of Law No. 04/L-215 on Citizenship of Kosovo	Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	This recommendation comes as a result of the fact that the administrative instruction was issued pursuant to Article 33 of the Law on Citizenship of Kosovo, respectively in the final provisions of the Law and the wording used in this provision is very general. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.

This recommendation is a result of the full harmonization of the legal basis between the bylaw and the legal deposit, respectively Article 31 of the Law on Foreigners. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.
1067	ADMINISTRATIVE INSTRUCTION (MIA) No. 05/2020 ON CRITERIA AND PROCEDURES FOR ACQUIRING THE CITIZENSHIP OF THE REPUBLIC OF KOSOVO	Minister of the Ministry of Internal Affairs	04.09.2020	This Administrative Instruction is based on Article 5 and 33 of Law No. 04/L-215 on Citizenship of Kosovo	Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	The analysis of this instruction shows that there is no legal basis, as Article 5 of the Law defines the ways to acquire citizenship, but does not provide for the proper permission / obligation to issue a bylaw. Also, determining the permission to issue a bylaw in the form of a blanket is a wrong form of formulating a legal provision, especially when it instructs in the transitional provisions where it is a general wording that bylaws can be issued, without specifying that for which cases it is necessary to issue a bylaw. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.

The legal provisions, namely Article 181, paragraph 5 of the Law on Road Traffic Rules, as well as Article 7, paragraph 3 of the Law on Civil Use of Explosives, stipulate the issuance of a bylaw by the ministry for the procedure of permit application and the escort of explosives or fireworks, as well as the manner of covering the police expenses for issuing permits and for escort engagement. The bylaw created by the Minister of Interior, which is this administrative instruction, precisely covers the above mentioned areas in the legal provisions. The analysis of this instruction shows that there is no legal basis in the proper sense, because Article 98 of the Law on Driver's License refers to the regulation of the issue with an international driver's license but does not specify the authorization of the Ministry of Internal Affairs to issue the act bylaw expressly. Whereas article 134 is seen as part of the transitional provisions that refer to the time in which legal acts must be issued for the implementation of this Law. Moreover, the wording used in Article 134, paragraph 1, is general, so the provision in question does not specify which bylaws will be issued and there is a possibility that bylaws will be issued in an unlimited form. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.

Also, in the introduction of this regulation, the reliance on article 23 paragraph 6 is defined, in which article I have identified that is not in accordance with the principle of legality, for reasons that have a general content, and gives authority to the Minister or the Chief Executive KFA executive to issue any bylaws, even for those acts that are not explicitly defined in the Law. As a result of such an analysis, it has been concluded that the purpose of this regulation does not comply with the legal provisions in force and therefore it is recommended that the regulation be repealed.

The wording used in this provision is very general and such wording made it possible to issue bylaws indefinitely. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.

This bylaw in the preamble refers to article 137 respectively to the transitional provisions of the Law on foreigners, in paragraph 1 sub-paragraph 1.6 which explicitly states that the minister will issue a bylaw to regulate the issues which are defined in the Law. The analysis of the provisions of the Law on foreigners shows that the proper basis for this administrative instruction is also in article 94 par 10, article 97 par. 8 and article 106 par.3, therefore as stated above, it remains recommended to remain in force.
1077	ADMINISTRATIVE INSTRUCTION MIA NO. 04/2019 ON THE CONTENT OF RECORDS IN THE FIELD OF FIRE PROTECTION AND THE MANNER OF RETENTION BY THE AGENCY AND THE MUNICIPALITY	Minister of the Ministry of Internal Affairs	08.04.2019	This Administrative Instruction is based on Article 30 para. 2 of Law No. 04/L-012 on Fire Protection. The analysis of this instruction shows that there is no legal basis, as Article 19 of the Law defines the ways of losing citizenship, but does not provide for the proper permission / obligation to issue a bylaw. Also in Article 33 of the Law on Citizenship of Kosovo, which article is part of the transitional provisions, this article has a general wording which stipulates that bylaws can be issued, without specifying in which cases it is necessary to issue a bylaw. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.

This recommendation comes as a result of the fact that the bylaw refers to Article 137 paragraph 5, respectively to the transitional provisions of the Law on foreigners, which stipulates that: For the implementation of this Law, other bylaws can be issued. The wording used in this provision is very general and such wording which made it possible to issue bylaws indefinitely. Therefore, it is recommended that the Ministry review the provisions of the Law in question, to find out whether there is a need for a bylaw or not, and if necessary, then create a legal basis, expressly providing for the issuance of this bylaw that would regulate in more detail the issue of the functioning of the center for the detention of foreigners.

The Law which is already in force is Law no. 06 / L-113 on the organization and functioning of the State Administration and Independent Agencies. In Article 28 of Law no. 06 / L-113 on the organization and functioning of the State Administration and Independent Agencies, paragraph 3 provides for the issuance of a bylaw for the internal organization of executive agencies such as the Kosovo Police, but always taking into account the authority to issue this act by Law is the Prime Minister, so while the Law which is already repealed the issuance of this bylaw provided by the governing body in consultation with the Minister has already determined that this is the competence of the Prime Minister, therefore it is proposed to harmonize with the Law that is in power.

The analysis of this administrative instruction shows that the legal basis is found in Article 75 of the Law on Driver's License, because it regulates the manner of application and equipment with a driver's license, although it does not provide for the issuance of bylaws explicitly, in principle it is understood that the Ministry determines conditions and procedures for applying for a driver's license through a bylaw. For this reason, it is recommended that the administrative instruction remain in force. This recommendation comes as a result of the inconsistency of legal provisions between the bylaw and the Law on driver's license. From the content of the instruction it can be seen that the purpose is to regulate the procedure of establishment and operation of the database system for driver license of the Republic of Kosovo and to determine the rules for use and access to the database system for driver license of the Republic of Kosovo. However, on the other hand, if we refer to Articles 81 and 105 of the Law on Driver's License, it is seen that there are inconsistencies, so the instruction is without legal basis. The types, form, content, data entry, manner and time-line of keeping Principal Civil Status registers as well as Specific Registers from Article 35 of this Law, shall be established by the Minister's sub-legal acts.	Official Gazette of the Republic of Kosovo	Amend and supplement the sub-legal act	This administrative instruction in the preamble refers to Article 66 paragraph 5, respectively to the transitional provisions of the Law on civil status. The wording used in this provision is very general and such wording made it possible to create bylaws indefinitely and this is contrary to the principle of legality. On the other hand, the reference to Article 31, paragraph 3 does not represent a legal basis, except in relation to paragraph 4 of this Article, therefore it is recommended to remain in force but to change the preamble of the Administrative Instruction in order to have full harmonization between the Law and the administrative instruction.
1132	ADMINISTRATIVE INSTRUCTION (MIA) NR. 13/2016 ON EQUIPPING WITH ID CARD, PASSPORT AND DRIVING LICENSE WITH ACCELERATED PROCEDURE	Minister of the Ministry of Internal Affairs	12.10.2016	This Administrative Instruction is based on Article 13 para. 6 and Article 24 para. 2 subparagraph 2.1 of Law No. 05/L-015 on Identity Cards, Article 8 para. 8.2 of Law No. 03/L-037 on Travel Documents, in Article 134 of Law No. 05/L-064 on Driving Licence.	Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	As can be seen from the analysis of this Administrative Instruction, it turns out that the legal basis requires me to find it in three separate Laws: the Law on Identity Card, Driver's License, and Travel Documents. The legal basis does not exist in any of the provisions to which it refers. Regarding Article 13 of the Law on Identity Card, this provision stipulates that a bylaw will be issued for equipment with ID card, but does not provide for equipment with ID card in an accelerated procedure. I can also add here that regarding the procedure of obtaining an ID card there is already a bylaw for this procedure. With regard to travel documents in Article 8 paragraph 8.2 of the Law on Travel Documents, although it refers to the issue of conditions under which a passport can be issued in an expedited procedure, it has not specified with a special provision that this procedure will be regulated by bylaw. It is therefore recommended that in case of amendment to the Law on Travel Documents to create a legal basis where it would find support, and also applies to the accelerated procedure of obtaining a driver's license to the Law on Driver's License and the accelerated procedure of the device with an identity card in the Law on Identity Card.
1133	ADMINISTRATIVE INSTRUCTION (MIA) NO. 14/2016 FOR AUTHORIZED DESTRUCTION OF PUBLIC DOCUMENTS AND OFFICIAL NOTES	Minister of the Ministry of Internal Affairs	12.10.2016	This Administrative Instruction is based on Article 24 para. 3 of Law No. 05/L-015 on Identity Cards	Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	The recommendation for repealed comes as a result of the fact that the Administrative Instruction has no legal basis, Article 24 paragraph 3 of Law no. 05 / L - 015 on Identity Card stipulates that "for the implementation of this Law, the Minister may issue other bylaws". As can be seen, this is a general wording which in an unlimited form provides for the possibility of issuing administrative instructions. Therefore, it is recommended that the Ministry review the provisions of the Law to see whether there is a need for a bylaw or not, and if there is a need, then to create a proper legal basis, expressly providing for the issuance of this administrative instruction in would regulate in more detail the issue of authorized destruction of public documents and official documents.
1134	ADMINISTRATIVE INSTRUCTION (MIA) NO. 15/2016 ON THE MANNER OF ACCEPTANCE - DELIVERY AND TRANSPORTATION PUBLIC DOCUMENTS AND OFFICIAL PAPERWORK	Minister of the Ministry of Internal Affairs	12.10.2016	This Administrative Instruction is based on Article 8 subparagraph 1.4 of Regulation No. 02/2011 on Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries	Official Gazette of the Republic of Kosovo	Repeal the sub-legal act	This administrative instruction is based on article 8 sub-paragraph 1.4 of Regulation no. 02/2011 on the areas of administrative responsibility of the Office of the Prime Minister and Ministries, and the reference to such a legal act, does not constitute a legal basis of this administrative instruction, therefore in the absence of a legal basis it is recommended that the regulation be repealed.
1135	ADMINISTRATIVE INSTRUCTION (MIA) NO. 18/2016 ON DETERMINATION OF THE FORM, CONTENT AND MANNER OF MANUFACTURING OF IDENTITY CARDS	Minister of the Ministry of Internal Affairs	22.12.2016	This Administrative Instruction is based on Article 8, 9 and 24, para. 2 subparagraph 2.2 of Law No. 05/L-015 on Identity Cards	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	After analyzing the provisions of Law no. 05 / L-015 on Identity Card, especially Articles 8, 9 and 24, paragraph 2, subparagraph 2.2, I noticed that these provisions explicitly authorize the Minister to issue this administrative instruction. Therefore, since the purpose of the administrative instruction in question is in line with the provisions of applicable Laws, it has been concluded that the administrative instruction has a proper legal basis and it is recommended that it remain in force.
1136	REGULATION (MIA) NO. 01/2015 FOR THE ESTABLISHMENT, COMPOSITION AND PROCEDURE OF THE COMMITTEE FOR APPOINTMENT OF GENERAL DIRECTOR AND DEPUTY DIRECTORS ON THE AGENCY FOR EMERGENCY MANAGEMENT	Minister of the Ministry of Internal Affairs	24.03.2015	This Regulation is based on Article 7, para. 6 of Law No. 04/L-230 on Emergency Management Agency	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	This recommendation is a result of the full harmonization of the legal basis between the bylaw and the relevant provision of the Law on the Emergency Management Agency.
1137	REGULATION (MIA) NO. 02/2015 FOR INTERNAL ORGANIZATION AND SYSTEMATIZATION OF JOBS OF THE KOSOVO AGENCY ON FORENSIC	Minister of the Ministry of Internal Affairs	24.03.2015	This Regulation is based on Article 12 and Article 23, para. 1, subparagraph 1.2 of Law No. 04/L-064 on Kosovo Agency on Forensic	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	The regulation in question is based on legal provisions, respectively Article 12 and Article 23, paragraph 1, subparagraph 1.2 of Law no. 04 / L-064 on the Kosovo Agency for Forensics, which provision authorizes the Minister to issue this regulation. Looking at the compatibility that exists between the legal provisions and the purpose of the regulation, it has been concluded that the regulation has a genuine legal basis, and it remains in force.
1138	REGULATION (MIA) NO. 03/2015 APPOINTMENT AND MANDATE OF DIRECTORS OF DEPARTMENTS IN KOSOVO AGENCY ON FORENSIC	Minister of the Ministry of Internal Affairs	06.07.2015	This Regulation is based on Article 23, para. 6, of Law on Kosovo Agency on Forensic	Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	It is recommended that the regulation be repealed, because it is based on a provision, respectively Article 23 paragraph 6, which provision is general and which is contrary to the principle of legality. According to this provision, the Minister or the Chief Executive Officer of the KFA, are authorized to issue bylaws, ie those that are not explicitly provided in the Law. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.
1139	REGULATION (MIA) NO. 04/2015 ON SUBSIDIZING OF PROJECTS THAT PROMOTE REINTEGRATION OF REPATRIATED PERSONS IN THE REPUBLIC OF KOSOVO	Minister of the Ministry of Internal Affairs	07.09.2015	This Regulation is based on Article 8, subparagraph 1.4 of Regulation No. 02/2011 on Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries, Article 35, para. 8 of Regulation (GRK) No. 08/2015 on Reintegration of Repatriated Persons and Management of the Reintegration Program, and Article 38, para. 6, of Regulation No. 09/2011 of Rules and Procedure of the Government of the Republic of Kosovo	Official Gazette of the Republic of Kosovo	To be enrolled in the Official Gazette, in the Register of Bylaws and in the Official Web page of the Ministry	This regulation is based on Article 35, paragraph 8 of Regulation (KRC) no. 08/2015 on reintegration of repatriated persons and management of the reintegration program and referral to a bylaw, does not represent a proper legal basis for this regulation, therefore in lack of legal basis it is recommended that the regulation be repealed.
1140	REGULATION (MIA) No. 06/2015 FOR DESCRIPTION OF DUTIES AND RESPONSIBILITIES FOR EMPLOYEES OF KOSOVO AGENCY ON FORENSIC	Minister of the Ministry of Internal Affairs	23.12.2015	This Regulation is based on Article 23, para. 6, of Law No. 04/L-064 on Kosovo Agency on Forensic	Official Gazette of the Republic of Kosovo	Repeal the sub-legal act	The reason for such a recommendation, comes as this regulation is based on Article 23 paragraph 6, where according to this provision the Minister or Chief Executive Officer of the KFA, is authorized to issue any bylaws, ie in such a case those which are not expressly provided in the text of the Law. Given this fact, such a provision is contrary to the principle of legality, so it is recommended that the regulation be repealed or in case the regulation in question is deemed necessary for the issues it regulates, so that there is no legal vacuum, ' a specific legal basis is created.
1141	ADMINISTRATIVE INSTRUCTION (MIA) No. 03/2015 ON PROCEDURES FOR REGISTRATION AND DEREGISTRATION OF DWELLING OR EMPLACEMENT	Minister of the Ministry of Internal Affairs	23.01.2015	This Administrative Instruction is based on Article 17 and 25 of Law No. 02/L-121 on Dwelling and Emplacement	Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	The recommendation comes as a result of the fact that the Administrative Instruction has no legal basis. Articles 17 and 25 of the Law on Residence and Residence do not define the possibility of issuing a bylaw to regulate the procedures for registration and de-registration of residence or place of stay. Also, in the transitional provisions in Article 24 provides for the issuance of four bylaws but none belongs to the procedure of notification and deregistration of residence or place of stay. However, in order to avoid an immediate legal vacuum in matters of notification and non-notification of residence and place of residence, it is recommended that this Administrative Instruction remain in force until the creation of a concrete legal basis.
1142	ADMINISTRATIVE INSTRUCTION (MIA) No. 04/2015 ON THE AUTHORIZED LIST FOR EQUIPMENT OF SPECIAL PURPOSES FOR STATE SECURITY INSTITUTIONS	Minister of the Ministry of Internal Affairs	15.04.2015	This Administrative Instruction is based on Article 36, subparagraph 1.1 of Law No. 03/L-246 on Weapons, Ammunition and Relevant Security Equipment for Authorized State Security INSTITUTIONS	Official Gazette of the Republic of Kosovo	To be enrolled in the Official Gazette, in the Register of Bylaws and in the Official Web page of the Ministry	The administrative instruction in question it has been repealed. Such appears in the official gazette, while the administrative instruction which repealed s it is the administrative instruction (MIA) no.04 / 2016 on the authorized list of special purpose equipment for state security institutions, which has been worked with serial number 62 .

1143	ADMINISTRATIVE INSTRUCTION (MIA) NO.08/2015 ON THE RE-REGISTRATION IN THE PRINCIPAL CIVIL STATUS REGISTERS	Minister of the Ministry of Internal Affairs	13.05.2015	This Administrative Instruction is based on Article 55 and 66 para. 2.8 of Law No. 04/L-003 on Civil Status	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	Administrative Instruction no. 08/2015 for re-registration in the basic registries of civil status, has a proper legal basis, as it complies with the substantive provisions of the Law, respectively Article 55 paragraph 2. This provision explicitly defines the criteria, forms, ways and the re-registration procedure will be regulated by a bylaw, in which provision this instruction is also based. However, the instruction in question is also based on the transitional provisions, which authorize the issuance of the bylaw for the same procedure. In such a case, it would be more favorable for the administrative instruction to rely only on the substantive provisions of the Law, because the same authorization has been repeated in the transitional provisions.
1144	ADMINISTRATIVE INSTRUCTION (MIA) No. 09/2015 ON DEFINING THE PROCEDURE FOR DIGITALIZATION OF SCANNED BASIC CIVIL STATUS REGISTERS	Minister of the Ministry of Internal Affairs	13.05.2015	This Administrative Instruction is based on Article 66, para. 5 and Article 31, para. 3 of Law No. 04/L-003 on Civil Status	Official Gazette of the Republic of Kosovo	To be enrolled in the Official Gazette, in the Register of Bylaws and in the Official Web page of the Ministry	This administrative instruction it has been repealed. Such also appears in the official gazette, while the instruction which repealed s it Administrative Instruction no. 12/2016 on determining the procedure for digitalization of scanned basic civil status registers, which was worked out with no. rendor 69.
1145	ADMINISTRATIVE INSTRUCTION (MIA) NO. 12/2015 ON PROCEDURES AND FORMS FOR PLACING EXPLOSIVES AND PYROTECHNICAL MATERIALS IN THE MARKET, REQUIREMENTS FOR CE MARKING AND MARKING OF PACKAGES	Minister of the Ministry of Internal Affairs	01.07.2015	This Administrative Instruction is based on Article 13, para. 4 of Law No. 04/L-022 on Civil Use of Explosives	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	The administrative instruction is based on Article 13 paragraph 4 of the Law on Civil Use of Explosives, which explicitly stipulates the issuance of a bylaw, such as this administrative instruction, which will regulate the procedures and forms of placing explosives on the market for civil use and pyrotechnic products, including CE marking criteria and package marking. As long as there is a proper legal basis, it is recommended that the administrative instruction remain in force.
1146	ADMINISTRATIVE INSTRUCTION (MIA) NO. 13/2015 ON THE TYPE, FORM, MODEL OF THE UNIFORMS AND IDENTIFICATION CARD FOR THE MEMBER OF THE EMA/PRAS	Minister of the Ministry of Internal Affairs	01.07.2015	This Administrative Instruction is based on Article 20 para. 6 and Article 86 para. 4 of Law No. 04/L-027 for Protection Against Natural and Other Disasters	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	The administrative instruction is based on article 20, paragraph 6 and article 86 paragraph 4 of Law no. 04 / L-027 on Protection from Natural and Other Disasters, in which provisions the Minister of Interior is authorized by a bylaw, such as this administrative instruction, to determine the type, form, model, relevant symbols and determine the form and the content of the identification card for the members of the Structures for Protection, Rescue and Assistance. Given that the administrative instruction has a legal basis in accordance with legal provisions, it is recommended that it remain in force.
1147	ADMINISTRATIVE INSTRUCTION (MIA) No. 14/2015 INVESTIGATION OF ACCIDENTS WITH EXPLOSIVES AND PYROTECHNICAL PRODUCTS	Minister of the Ministry of Internal Affairs	28.07.2015	This Administrative Instruction is based on Article 44, para. 3 of Law No. 04/L-022 on Civil Use of Explosives	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	The administrative instruction is based on Article 44 paragraph 3 of the Law on Civil Use of Explosives, which provision explicitly stipulates that a bylaw issued by the ministry will regulate the investigation of accidents and incidents with explosives and fireworks. As long as there is a legal basis harmonized with legal provisions, it is recommended that the administrative instruction remain in force. However, I request that the content of this guidance for the improvement of some technical issues be reviewed once again.
1148	ADMINISTRATIVE INSTRUCTION (MIA) NO. 16/2015 FOR DETERMINATION OF VIOLATIONS, DISCIPLINARY MEASURES AND DISCIPLINARY PROCEEDINGS TOWARDS EMPLOYEES OF PIK	Minister of the Ministry of Internal Affairs	09.09.2015	This Administrative Instruction is based on Article 31. para. 1.11 of Law No. 03/L-231 on Kosovo Police Inspectorate	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	This recommendation comes as a result of the fact that the administrative instruction has a specific legal basis, although it is not defined in the preamble the support of the administrative instruction in article 30 par. 1 but only in Article 31 par. 1 sub paragraph 1.1 within the transitional provisions of Law no. 03 / L-231 on the Police Inspectorate of Kosovo. Therefore, I consider that it would be more preferable for the legal basis for issuing this Instruction to remain only in Article 30 paragraph 1, because the legal basis repeated in the transitional provisions is unnecessary.
1149	ADMINISTRATIVE INSTRUCTION (MIA) NO. 17/2015 ON THE GENERAL REGISTRATION PROCEDURES OF THE FACT OF BIRTH, MARRIAGE AND DEATH	Minister of the Ministry of Internal Affairs	19.08.2015	This Administrative Instruction is based on Article 66, para. 5 of Law No. 04/L-003 on Civil Status.	Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	This administrative instruction in the preamble refers to Article 66 paragraph 5, respectively to the transitional provisions of the Law on civil status. The wording used in this provision is very general and such wording made it possible to create bylaws indefinitely. Therefore, it is recommended that the Ministry review the provisions of the Law to see if there is a need for a bylaw or not, and if necessary, then create a legal basis, expressly providing for the issuance of this administrative instruction in a more detailed would regulate the issue of the general procedure for registering the fact of birth, marriage and death
1150	ADMINISTRATIVE INSTRUCTION (MIA) NO. 19/2015 ON THE CONDITIONS AND PROCEDURES FOR PERSONAL NAME CHANGE AND CORRECTION	Minister of the Ministry of Internal Affairs	02.11.2015	This Administrative Instruction is based on Article 66, para. 5, of Law No. 04/L-003 on Civil Status.	Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	This administrative instruction in the preamble refers to Article 66 paragraph 5, respectively to the transitional provisions of the Law on civil status. The wording used in this provision is very general and such wording made it possible to create bylaws indefinitely. Therefore, it is recommended that the Ministry review the provisions of the Law to see if there is a need for a bylaw or not, and if necessary, then create a legal basis, expressly providing for the issuance of this administrative instruction in a more detailed would regulate the issue of conditions and procedures for changing and correcting a personal name.
1151	ADMINISTRATIVE INSTRUCTION (MIA) NO. 20/2015 ON THE PROCEDURE FOR INITIATION OF CRIMINAL INVESTIGATION	Minister of the Ministry of Internal Affairs	19.11.2015	This Administrative Instruction is based on Article 31 para. 1, subparagraph 1.12 of Law No. 03/L-231 on Kosovo Police Inspectorate	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	According to the provisions of the Law on the Police Inspectorate of Kosovo, respectively in Article 31 paragraph 1, subparagraph 1.12, the authorization of the Minister for the issuance of this bylaw is explicitly defined. Seeing that the purpose of this administrative instruction complies with the legal provisions in force, it has been concluded that the administrative instruction has a proper legal basis and it is recommended that it remain in force.
1152	ADMINISTRATIVE INSTRUCTION (MIA) NO. 21/2015 FOR INSPECTIONS IN KOSOVO POLICE	Minister of the Ministry of Internal Affairs	19.11.2015	This Administrative Instruction is based on Article 31 para. 1 subparagraph 1.9 of Law No. 03/L-231 on Kosovo Police Inspectorate	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	The Administrative Instruction has a genuine legal basis in the Law Police Inspectorate.
1153	ADMINISTRATIVE INSTRUCTION (MIA) NO. 24/2015 ON THE LATE REGISTRATIONS IN THE CIVIL STATUS REGISTERS	Minister of the Ministry of Internal Affairs	30.12.2015	This Administrative Instruction is based on Article 54 and 66 subparagraph 2.7 of Law No. 04/L-003 on Civil Status.	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	The administrative instruction in question has a legal basis harmonized with the provisions of applicable Law. The administrative instruction refers to the substantive provisions of the Law, respectively to Article 54, paragraph 2, which expressly determines the issuance of a bylaw that regulates the criteria, forms, manner and procedures of subsequent registration. The transitional provisions also emphasize once again the same authorization for the Minister of Internal Affairs, in which the transitional provision is called this administrative instruction, but it would be more preferable for the instruction to be invoked only in substantive provisions of the Law, because in the transitional provisions, the same authorization is repeated.
1154	INTERNAL REGULATION (MIA) NO. 01/2014 FOR ACCESS, ORDER, SECURITY AND PROTECTION OF MIA BUILDINGS	Minister of the Ministry of Internal Affairs	31.01.2014	This Regulation is based on Article 8 subparagraph 1.4 of Regulation No. 02/2011 on Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries, and Article 38 para. 6 of Regulation No. 09/2011 of Rules and Procedures of the Government of the Republic of Kosovo	Official Gazette of the Republic of Kosovo	Repeal the sub-legal act	Such a recommendation comes as a result of the fact that this regulation does not have a proper legal basis, as it is based only on Article 8 subparagraph 1.4 of Regulation no. 02/2011 on the areas of administrative responsibility of the Office of the Prime Minister and Ministries and Article 38 paragraph 6 of the Rules of Procedure of the Government no. 09/2011.
1155	ADMINISTRATIVE INSTRUCTION (MIA) NO. 02 /2014 ON FOREIGNERS TRAVEL DOCUMENTS	Minister of the Ministry of Internal Affairs	04.04.2014	This Administrative Instruction is based on Article 137, para. 1 subparagraph 1.1. of Law No. 04/L-219 on Foreigners	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	While the article on which this administrative instruction is based, respectively Article 137 paragraph 1, sub-paragraph 1.1, provides for the issuance of a bylaw such as this administrative instruction, which regulates the procedure for issuing travel documents for foreigners, it has been concluded that the legal basis exists and is in accordance with the legal provisions in force, and therefore it is recommended that it remain in force.
1156	ADMINISTRATIVE INSTRUCTION (MIA) No. 03/2014 ON MENAGEMENT AND PROTECTION OF PERSONAL DATA IN THE READMISSION PROCESS	Minister of the Ministry of Internal Affairs	15.04.2014	This Administrative Instruction is based on Article 13 of Law No. 03/L-208 on Readmission	Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	The recommendation derives from the fact that the administrative instruction has no legal basis. As seen in Article 13, paragraph 1 of the Law on Readmission does not define the right of the Minister to issue a bylaw for a more detailed regulation on the management and protection of personal data in the readmission process. On the other hand, in paragraph 2 of article 13 of this Law, which stipulates that the Ministry of Internal Affairs (not the Minister) will issue the necessary bylaws for the implementation of this Law, is a general wording which in unlimited form provides for the possibility of issuing administrative instructions. However, in order to avoid an immediate legal vacuum, it is recommended that it remain in force but at the same time create a concrete legal basis by amending and supplementing Law no. 03 / L-208 on Readmission, expressly providing for the issuance of this administrative instruction that would regulate in more detail the issue of management and protection of personal data in the readmission process.
1157	ADMINISTRATIVE INSTRUCTION (MIA) NO. 07/2014 FOR OFFICIAL ESCORT OF THE PRESIDENT OF THE REPUBLIC OF KOSOVA AFTER FINISHING HIS/HER MANDATE	Minister of the Ministry of Internal Affairs	13.05.2014	This Administrative Instruction is based on Article 21 of Law No. 03/L-094 on the President of the Republic of Kosovo	Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	Such a recommendation comes as Article 21 does not explicitly stipulate that this issue will be regulated by an administrative instruction, respectively to issue a bylaw, but the provision in question stipulates that it will be regulated by special acts and which is more logical that the legislator has provided that this issue be regulated by decision. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.
1158	ADMINISTRATIVE INSTRUCTION (MIA) NO. 10/2020 ON CONDITIONS AND PROCEDURES FOR THE ISSUANCE OF THE VISAS AT THE BORDER CROSSING POINT	Minister of the Ministry of Internal Affairs	24.12.2020	This Administrative Instruction was issued pursuant to Article 26 and Article 137, para. 1, subparagraph 1.3 of Law No. 04/L-219 on Foreigners	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	This recommendation is a result of the harmonization of the legal basis between the bylaw and the relevant provision of the Law on Foreigners. While the recommendation to amend the Law on Foreigners is to improve the technical order on the one hand, while moreover it would be more than reasonable to remove from this transitional provision the possibility of issuing bylaws as the possibility of issuing The bylaw on the conditions and procedures for issuing visas at the border crossing point is provided in Article 26, therefore the repetition of the determination of issuing the same bylaw is unnecessary.
1159	ADMINISTRATIVE INSTRUCTION (MIA) No. 11/2014 FORCENTRAL REGISTER OF VEHICLES	Minister of the Ministry of Internal Affairs	27.10.2014	This Administrative Instruction is based on Article 301 of Law No. 02/L-70 on Road Traffic Safety	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	This recommendation is a result of the harmonization of the legal basis between the bylaw and the relevant provision of the Law on Traffic Safety.

The administrative instruction is based on Article 16 paragraph 13 of the Law on Civil Use of Explosives, which explicitly stipulates the issuance of a bylaw, such as this administrative instruction, which will regulate and determine the criteria for distances of depots for explosives, safety criteria for storage and placement of explosives. As long as there is a proper legal basis, it is recommended that the administrative instruction remain in force.
1161	ADMINISTRATIVE INSTRUCTION (MIA) No. 13/2014 ON STORAGE OF AMMONITE AND OTHER FERTILIZERS	Minister of the Ministry of Internal Affairs	06.11.2014	This Administrative Instruction is based on Article 12, of Law No. 04/L-022 on Civil Use of Explosives	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	Considering that the administrative instruction has a genuine legal basis which is based on legal provisions, respectively Article 12 paragraph 2 which provision explicitly defines the issuance of such a bylaw, it is recommended that it remain in force.
1162	ADMINISTRATIVE INSTRUCTION (MIA) No. 14/2014 FOR THE SPECIAL SECURITY MEASURES IN TRANSPORT OF PERMITTED EXPLOSIVES AND FIREWORKS	Minister of the Ministry of Internal Affairs	06.11.2014	This Administrative Instruction is based on Article 7 and 32, of Law No. 04/L-022 on Civil Use of Explosives	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	Whereas, the administrative instruction no. 14/2014 on special security measures during the transport of explosives and fireworks allowed, is based on legal provisions, respectively Article 7 paragraph 3 and Article 32 paragraph 8, which provisions provide for the issuance of a bylaw such as is this administrative instruction, then there is a proper legal basis. It is therefore recommended that this administrative instruction remain in force.
1163	ADMINISTRATIVE INSTRUCTION (MIA) No. 15/2014 ON PROFESSIONAL EXAMINATION FOR INSPECTORS, THEIR APPOINTMENT AND THE INSPECTOR MANUAL	Minister of the Ministry of Internal Affairs	03.12.2014	This Administrative Instruction is based on Article 6, of Law No. 04/L-022 on Civil Use of Explosives	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	The administrative instruction is based on legal provisions, namely Article 6 paragraph 4, which authorizes the Minister of Interior to regulate the procedures for the appointment of inspectors and other details. While we see that the legal basis of this administrative instruction exists and is in accordance with legal provisions, it is recommended that the administrative instruction remain in force.
1164	ADMINISTRATIVE INSTRUCTION (MIA) NO. 16/2014 FOR THE IDENTIFICATION EMBLEM OF KOSOVO POLICE INSPECTORATE	Minister of the Ministry of Internal Affairs	03.12.2014	This Administrative Instruction is based on Article 31, para. 1.1 of Law No. 03/L-231 on Kosovo Police Inspectorate	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	After analyzing the instruction and provisions of the Law on the Kosovo Police Inspectorate, I noticed that the administrative instruction was issued in accordance with legal provisions, and as long as there is a proper legal basis, it is recommended that it remain in force.
1165	ADMINISTRATIVE INSTRUCTION (MIA) NO. 17/2014 FOR THE FORM, EQUIPMENT AND WAY OF USING THE IDENTIFICATION DOCUMENT	Minister of the Ministry of Internal Affairs	03.12.2014	This Administrative Instruction was issued based on Article 31, para. 1.2 of Law No. 03/L-231 on Kosovo Police Inspectorate	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	The Administrative Instruction has a legal basis. However, the secondary recommendations are because the Law provides for the issuance of this instruction in Article 8 paragraph 2 (which would be preferable to harmonize with the preamble of the administrative instruction) but also within the transitional provisions. The Law does not need to redefine the legal basis repeatedly in the transitional provisions, so it is recommended that this provision be removed.
1166	ADMINISTRATIVE INSTRUCTION (MIA) NR/2014 FOR TYPES OF WEAPONS AND OTHER MEANS OF USE OF FORCE FROM PIK	Minister of the Ministry of Internal Affairs	03.12.2014	This Administrative Instruction is based on Article 31, para. 1.7 of Law No. 03/L-231 on Kosovo Police Inspectorate	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	Such a recommendation is a result of the harmonization of the legal basis of the administrative instruction in question with the provisions of the Law in force, namely the Law on the Police Inspectorate of Kosovo.

This recommendation is because this bylaw is called to be issued in support of the Law on Road Traffic Safety, without being defined in concrete provisions of the Law. After analyzing the provisions of the Law on Road Traffic Safety, no provision stipulates that the Minister has the authority to issue this administrative instruction. Therefore, I consider that there is no legal basis and it is recommended that it be repealed. However, if the administrative instruction is considered necessary, then a specific legal basis should be created.

Law no. 05 / L-022 on Weapons, which Law is already in force, in Article 73 paragraph 1 sub-paragraph 1.8, stipulates that the administrative instruction in question will be applied until the moment of issuance of other bylaws. Based on the provisions of applicable Laws, Administrative Instruction 09/2017 on Collectible Weapons tacitly abrogates Administrative Instruction 13/2010. Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	This administrative instruction is based on the Law on Weapons no. 03 / L-143, which has been repealed. However, since the new Law has explicitly defined that this administrative instruction will be implemented until the issuance of other bylaws that regulate the same issue, I consider that the administrative instruction, in order not to create a legal vacuum, remains in force and in case of amendment of the Law in force, to create a specific basis.

1229	ADMINISTRATIVE INSTRUCTION NO.18/2010 – MIA ON ORGANIZATION AND STRUCTURING OF EMERGENCY MANAGEMENT AGENCY	Minister of the Ministry of Internal Affairs	07.09.2010	This Administrative Instruction is based on Article 145 para. 2 of the Constitution of the Republic of Kosovo, and Administrative Instruction No. 16/2010 on Internal Organization and Structuring of MIA	Official Gazette of the Republic of Kosovo	To be enrolled in the Official Gazette, in the Register of Bylaws and in the Official Web page of the Ministry	This administrative instruction it has been repealed, as it appears in the official gazette (GZRK).

Article 17 of the Law on Residence and Stay does not define the possibility of issuing a bylaw to regulate in more detail the form and content of the register of residence or stay, the register of ABCD records as the guest register. Also, in the transitional provisions in Article 24 provides for the issuance of four bylaws, but no instruction relates to the form and content of the register of residence or stay, the register of records of ABCD as the register of guests. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.

The Law which is already in force, namely the Law on Foreigners No. 04 / L-219, in Article 138 paragraph 2 sub-paragraph 2.7, stipulates that the instruction in question will be applied until the issuance of other administrative instructions. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.
1232	ADMINISTRATIVE INSTRUCTION NO. 24/2010 – MIA ON INHERITANCE PROCEDURES FOR WEAPONS AND AMMUNITION IN CASE OF DEATH OF THE OWNER OF A WEAPON. The law which is already in force, link, Law on Weapons No.05 / L-022, in 49 paragraph 3 of the people to issue a sub-legal act which will regulate the issues of the agreement for which the administrative instructions in question have been issued. . . Seeing between the purpose of the administrative instruction with the provisions of the laws in force, in relation to Article 49 paragraph 3, it is recommended that the administrative instruction change the preamble, as it should be based on the positive legal provision.
1233	ADMINISTRATIVE INSTRUCTION NO. 25/2010 – MIA ON TRACING OF FIREARMS, ITS PARTS AND AMMUNITION.	Minister of the Ministry of Internal Affairs	27.09.2010	This Administrative Instruction is based on Article 70, para. 3, Law No. 03/L-143 on Weapons, which specifies: Article 70 Determining the form of templates and requests 3. The Competent body will define in a sub legal act the way of tracing of firearms and ammunition. However, the Law in force, respectively in Article 73 paragraph 1 sub-paragraph 1.12, stipulates that the administrative instruction in question will be implemented until the issuance of other bylaws. Therefore, it is recommended that it remain in force, but in case of eventual change of the Law, a specific legal basis should be created.
1234	ADMINISTRATIVE INSTRUCTION NO. 26/2010 – MIA ON MARKING OF FIREARMS, ITS PARTS AND AMMUNITION	Minister of the Ministry of Internal Affairs	27.09.2010	This Administrative Instruction is based on Article 56 para. 2, of Law on Weapons No. 03/L-143.	Official Gazette of the Republic of Kosovo	Amend and supplement the sub-legal act	This administrative instruction is based on the Law which has been repealed. However, the Law in force, in Article 56 paragraph 2 stipulates that a bylaw will be issued, the purpose of which is consistent with the purpose of this administrative instruction. Official Gazette of the Republic of Kosovo	Amend and supplement the sub-legal act	The administrative instruction in question is based on the Law which has been repealed, but the Law on Weapons in force explicitly stipulates in Article 73 paragraph 1 subparagraph 1.14, that the administrative instruction in question will be implemented until the issuance of other bylaws. After analyzing the provisions of this Law in force, I noticed that Article 60 regulates the same issues that are provided in the purpose of the administrative instruction in question, and authorizes the Minister to issue a bylaw on these issues, so it is recommended that the administrative instruction be harmonized with provisions of applicable Law. Then in article 61 and 62 regulates the same issues that are foreseen in the purpose of the administrative instruction in question, but does not specify that these issues are regulated by bylaw, therefore it is recommended that in case of amendment of the Law in force, the administrative instruction the legal basis is created.

The Law in force in the final provisions of Article 65, stipulates the repeal of Law no. 2004/46 on Civil Registry, and any deposit which is contrary to applicable Law. After analyzing the provisions of the Law in force, no provision addresses the issue of scanning and copying of civil status registers, much less does it stipulate that such issue be regulated by a bylaw. Given this fact, I consider that with the repeal of the Law, the administrative instruction that is based on it should be repealed.

The Administrative Instruction has a legal basis. The Law provides for the issuance of this instruction in Article 13 paragraph 4 and in the framework of transitional provisions. The Law does not need to redefine the legal basis repeatedly in the transitional provisions, therefore it is recommended to remove the part where the authorization to issue the same bylaw is repeated, in case of amendment / supplementation of the Law on Police Inspectorate of Kosovo .

Given the legal provisions in force, the administrative instruction in question is not in force. In this legal provision, respectively in Article 8.1 and 13 of the Law on Travel Documents, it is not explicitly specified that a bylaw will be issued for the form, content, manner of application for the issuance of a group travel document. The Law in Article 8.1 defines the competence of the Ministry of Internal Affairs for issuing the group travel document, but does not provide that for issues related to the form, content, manner of application for the issuance of the travel document that a bylaw will be issued. . Also, Article 13 defines the criteria on which the group travel document is issued, but does not authorize the Ministry of Internal Affairs to issue a bylaw for further clarification of issues related to the travel document. 1248	ADMINISTRATIVE INSTRUCTION (MEST) NO.13/2018 ON HIGHER EDUCATION MANAGEMENT INFORMATION SYSTEM	Minister of Education, Science and Technology	21.09.2018	Minister of Education, Science and Technology, based on Article 6 para. 1.13 of Law No. 04/L-037 on Higher Education in the Republic of Kosovo, provisions of Article 8 (1.4) of Regulation No. 02/2011 on Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries, and provisions of Article 38, para. 6 of Regulation No. 09/2011 of Rules and Procedures of the Government of the Republic of Kosovo	Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	Article 6 of the Law on Higher Education of the Republic of Kosovo defines the competencies and responsibilities of the Ministry in providing higher education in accordance with the provisions of this Law and additional documents issued on its basis and those issued under Article 14 of the Law on Education in the Municipalities of the Republic of Kosovo (No. 03-L-068, May 2008). No sub-paragraph of paragraph 1 or paragraph 2 of this Article provides for the issuance of any bylaw, which means neither the Administrative Instruction on the Information Management System in higher education nor in sub-paragraph 1.13 of paragraph 1 of this article. On the one hand, sub-paragraph 1.13 in question is general and does not specifically define the issuance of a bylaw on the information management system in higher education, and can not be considered as a legal basis for the issuance of the administrative instruction in question. The legal basis of this Administrative Instruction can not be considered as a relevant legal basis for the issuance of the bylaw because it is a provision of general character. Therefore, the legal basis of this Administrative Instruction based on paragraph 1 of sub-paragraph 1.13 of Article 6 of Law no. 04 / L-037 on Higher Education of the Republic of Kosovo, can not be considered as a relevant legal basis for issuing a bylaw because it is a provision of general unlimited character and not a concrete legal basis for issuing a bylaw. It has been concluded that neither Article 6 of the Law on Higher Education nor Article 5 paragraph 14 of the Law on Pre-University Education, decisively provides for the issuance of a bylaw on budget allocation from the category of subsidies and transfers. However, Article 14, paragraph 10 of the Law on Higher Education provides for the issuance of a bylaw for the inclusion of students in training institutions at level 4 of ISCED, and not for the issue that is regulated by the Administrative Instruction in question. There is no legal basis in the Law on higher education for the issuance of this Administrative Instruction. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.
1250	ADMINISTRATIVNO UPUTSTVO (MONT)- Br.12/2018 PRINCIPI I PROCEDURE PRIZNAVANJA DIPLOMA, STEPENA I KVALIFIKACIJA VIŠIH PROFESIONALNIH ŠKOLA I UNIVERZITETSKIH ZVANJA STEČENIH VAN REPUBLIKE KOSOVO	Minister of Education, Science and Technology	10.09.2018	Minister of Education, Science and Technology, based on Article 6 of Law No. 04/L-037 on Higher Education the Republic of Kosovo, Article 8, subparagraph 1.4 of Regulation No. 02/2011 on Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries, and Article 38 para. 6 of Regulation No. 09/2011 of Rules and Procedures of the Government of the Republic of Kosovo	Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	According to the emphasized article (article 6) of the Law in question, it is ascertained that in no paragraph is foreseen the issuance of the bylaw which regulates the issues that have been regulated by this Administrative Instruction. It means that the issuance of this Administrative Instruction has no legal basis for its issuance. Indeed, Article 6 of the Law in question in paragraph 1 sub-paragraph 1.4 provided for "the issuance of a bylaw which regulates the authorization of the format and content of the Diploma and the Diploma Supplement, in cooperation with the Kosovo Accreditation Agency issued by accredited providers of higher education. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.
1251	ADMINISTRATIVE INSTRUCTION (MEST) No. 16/2015 ON THE ESTABLISHMENT AND FUNCTIONING OF THE STUDENT'S UNION OF THE REPUBLIC OF KOSOVO	Minister of Education, Science and Technology	04.11.2015	Minister of Education, Science and Technology, based on Article 33, para. 1 of the Law on Higher Education the Republic of Kosovo	Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	Article 33 basically regulates student organizations, respectively the creation of one or more organizations for the representation of students ... while the statute or any other document of the provider of higher education precedes their creation. This means that the establishment of student organizations does not provide for the issuance of a bylaw for their establishment, as has been done with the Administrative Instruction in question. It means that there is no legal basis for the establishment and functioning of the student union of the Republic of Kosovo with an Administrative Instruction, but "Statute or any other document of the provider of higher education before the establishment of student organizations" (paragraph 1 of Article 33 of Law on Higher Education). If we consider the meaning of the expressions in Article 3 paragraph 1, subparagraphs 1.13 which stipulate that "the provider is any other institution or body authorized to provide educational services at the level of higher education" while under paragraph 1.14 of Article 3 of the Law on Higher education it follows that "public provider" is a provider established by the Government of the Republic of Kosovo, it turns out that the establishment of the provider of higher education is done according to the statute or any other founding document of the provider of higher education, depending on whether it is a provider public or private education. Based on the emphases, It has been concluded that the provision on which the issuance of the Administrative Instruction is based (paragraph 1 of Article 33 of the Law on Higher Education, can not be considered as a legal basis for its issuance, because the article in question does not include the issuance of bylaw for the regulation of the issues from article 33 for the establishment and constitution of the student union of the Republic of Kosovo. The legal basis must be defined in the applicable Law. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.

The legislator leaves the issuance of this bylaw as an opportunity, based on economic needs. The legislator, according to the article in question has provided the legal act for the creation of the scheme or schemes for financial support of students based on economic needs. It is confirmed that the issuance of a bylaw which regulates the issue of scholarships is not foreseen. Therefore, we consider that the Administrative Instruction in question does not have the relevant legal basis for the issuance of the bylaw which regulates only the issue of allocating scholarships to students. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance. More specifically, it is recommended that this Administrative Instruction be harmonized with the legal basis set out in Article 32 of the Law on Higher Education.

Article 16 of the Law in question does not provide for the issuance of a bylaw on the comparability and equivalence of diplomas and Bologna programs and the Bologna system. In view of Article 16 emphasized the issuance of two bylaws related to degrees and diplomas and that: 1) By-Law on the format of the degree or diploma (paragraph 8) and 2) The bylaw for additional educational requirements, except for the degree or diploma, as a condition for employment in any profession, which is treated by other Laws or based on the conditions defined in international conventions or agreements. Official Gazette of the Republic of Kosovo	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	The administrative instruction is based on Article 49 paragraph 1 of the Law on Pre-University Education which provides that "The Ministry issues bylaws within one (1) year for the implementation of this Law and for issues not covered by this Law." As a transitional provision in the part "ministry issues bylaws within one (1) year for the implementation of this Law" is considered OK but the rest "and for issues not covered by this Law" is not only a general provision but also authorizes the minister with authorizations unlimited legal also "for issues not covered by this Law" which is contrary to the principle of legality and is a general provision because it does not specify which legal issues it has authorizations. Thus it is considered that the legal basis is not in accordance with the legislation in force, general and with general and unlimited powers for the Minister, thus, it is assessed that the Administrative Instruction in question is not in accordance with the legislation and that there is no concrete concrete legal basis for its issuance. However, in order to avoid the legal vacuum, it is recommended to remain in force until the creation of a concrete legal basis by amending and supplementing the Law.
1267	ADMINISTRATIVE INSTRUCTION (MEST) NO. 05/2021 FOR NORMATIVE ON PROFESSIONAL STAFF OF THE GENERAL EDUCATION	Minister of Education, Science, Technology and Innovation	18.06.2021	Pursuant to Article 5 para. 16, Article 49 of Law No. 04/L-032 on Pre-University Education in the Republic of Kosovo, based on Article 8, 10 and 11 of Law No. 06/L-113 on Organization and Functioning of State Administration and Independent Agencies, (Official Gazette No. 7/ 01 March 2019), Article 8 para. 1 subpara. 1.4, Annex 1 para. 7 of Regulation (GRK) No. 02/2021 on Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries dated 30.03.2021 and Administrative Instruction No. 03/2013 on Standards for the Drafting of Normative Acts	Official Website of the Ministry	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	We consider that the legal basis on which the issuance of this bylaw is based (paragraphs 16 and 49 of Article 5 of the Law in question) are general and the legal basis is not defined in the material provisions of this Law for regulation by bylaw of the case. legal normative for the professional framework of general education, is considered to be also contrary to the principle of legality. The principle of legality, as well as the principle of constitutionality, is a universal principle, because it exists in all legal orders and in all states. This is a very important principle and it, ex officio, should be taken care of by all issuers of bylaws as well as perpetrators of material actions. In the legal sense, the principle of legality implies the absolute superiority of the Law in relation to all other legal provisions. In the political sense, this principle is related to the democratic order and is considered one of its essential assumptions. In this case, the transfer of the Ministry, as an executive body, to the obligation to regulate and provide a certain legal matter in a general way, which gives it unlimited authorizations that "16. The Ministry issues bylaws in any area of its responsibilities under this Law or any other Law in force "or Article 49 1. The Ministry issues bylaws within one (1) year for the implementation of this Law and for issues that are not covered with this Law", by not specifying that the certain legal matter determined for regulation by bylaws of it, constitutes a violation of legality. It is worth mentioning that Article 5 of the Law in question has provided the legal basis for the issuance of 16 bylaws (paragraph 1 sub-paragraph 1.8, sub-paragraphs: 1.10, 2.2, 2.2, 2.3, 2.4, 3.1, 3.2, 3.3, 3.3, paragraphs: 6, 8, 9, 11, 13, 14.), while in no paragraph or sub-paragraph of article 5 of this Law is defined the issuance of the Administrative Instruction on the Normative for the professional staff of general education. We consider that the legal bases on which the issuance of this bylaw is based are general Therefore, the Administrative Instruction mentioned for the normative and professional framework of General Education has no legal basis in this article, however in order to avoid the legal vacuum in this area, in case of harmonization of the Law in question in the future, taking into account the harmonization, respectively the determination of the legal basis of this administrative instruction in the Law as well as the deletion of paragraph 16 of article 5 and paragraph 1 of article 49 of this Law.
1268	ADMINISTRATIVE INSTRUCTION (MES) NO. 03/2021 ON ORGANIZATION AND FUNCTIONING OF THE "GOLDEN PANEL" COMMISSION	Minister of Education and Science	15.03.2021	Minister of Education and Science based on Article 33 para. 1 and Article 5 para. 16 of Law No. 04/L-032 on Pre-University Education in the Republic of Kosovo, Article 12 and Article 18 para. 3 of Law No. 06/L-046 (Official Gazette No. 13/10 August 2018) on Education Inspectorate in the Republic of Kosovo, Article 8 para. 1 subpara. 1.4 of Regulation (GRK) No. 6/2020 on Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries of 06.06.2020 and Article 4 of Annex 11 of Regulation (GRK) - No. 07/2020 on Amendment and SUPPLEMENTATION of Regulation (GRK) No. 06.2020 on Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries of 16.06.2020	Official Website of the Ministry	The sublegal act is legally grounded and therefore remains into force.	The bylaw has a legal basis in Article 18 (3) of the Law in force for the Education Inspectorate.
1269	ADMINISTRATIVE INSTRUCTION (MEST) NO. 08/ 2018 ON THE ESTABLISHMENT AND STRENGTHENING THE TEAMS FOR PREVENTION AND RESPONSE AGAINST ABANDONMENT AND NON-ENROLLMENT OF STUDENTS IN PRE-UNIVERSITY EDUCATION	Minister of Education, Science and Technology	25.05.2018	Minister of Education, Science and Technology based on Article 3, Article 5 para. 1 subpara. 1.4, para. 16 of the Law on Pre-University Education in the Republic of Kosovo (Official Gazette No. 17/16 September 2011), Article 8 para. 1 subpara. 1.4, of Regulation No. 02/2011 on Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries and Article 38 para. 6 of Regulation No. 09/2011 of Rules and Procedures of the Government of the Republic of Kosovo (Official Gazette No.15, 12.09.2011),	Official Website of the Ministry	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	None of the articles highlighted as legal support of this Administrative Instruction, have decisively provided for the issuance of an administrative instruction to regulate the establishment and strengthening of prevention and response teams against dropout and non-enrollment of students in pre-university education. Because Article 3 of the Law on Pre-University Education regulates the general principles of pre-university education, while Article 5 of the Law in question provided for the issuance of several bylaws to regulate issues that have nothing to do with the establishment and strengthening of prevention and response teams. dropout and non-enrollment of students in pre-university education, but for completely different issues in the implementation of the duties of the Ministry defined in Article 5 of the Law in question. Regarding the reliance in paragraph 16 of Article 5 of this Law that "The Ministry issues bylaws in any area of its responsibilities under this Law or any other Law in force", can not be considered as a relevant legal basis, because it is general and the transfer that the Ministry itself regulates and provides the certain legal matter in a general way without determining the legal issue which will be regulated by the administrative instruction, in this way the Ministry is given unlimited authorizations, we consider that it is illegal and in contrary to the principle of legality. Therefore, in the relevant Law in question, the legal basis for a certain legal matter must be determined decisively / concretely so that the Administrative Instruction in question is harmonized with the Law.

1270	ADMINISTRATIVE INSTRUCTION (MEST) NO. 09/2018 THE SPECIALIZED MATHEMATICS GYMNASIUM IN PRISHTIN, ITS FUNCTIONALITY AND ORGANIZATIONAL STRUCTURE	Minister of Education, Science and Technology	08.06.2018	Minister of Education, Science and Technology based on Article 5 para. 16 and Article 49 of Law No. 04/L-032 on Pre-University Education in the Republic of Kosovo (Official Gazette No. 17/16 September 2011), Article 8 para. 1 subpara. 1.4, Regulation No. 02/2011 on Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries, and Article 38 para. 6 of Regulation No. 09/2011 of Rules and Procedures of the Government of the Republic of Kosovo (Official Gazette No.15, 12.09.2011).	Official Website of the Ministry	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	The legal basis of this Administrative Instruction is based on provisions which are of general character, because it is possible to issue a bylaw "in any area of its responsibilities under this Law and any other Law in force" (Article 5 paragraph 16), or "The Ministry issues bylaws ... for the implementation of this Law and for other issues not covered by this Law" (Article 49 of the Law on Pre-University Education), which is illegal because the executive bodies are given unlimited powers legal that is contrary to the principle of legality. The Law on Pre-University Education should define the concrete legal basis for the issuance of the bylaw which regulates the concrete legal matter of the educational institution in question. The findings indicate that this issued Administrative Instruction does not define the concrete legal basis in the Law on Pre-University Education, but is based on general provisions. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.

(d and h) of the Law on Education in the Municipalities of the Republic of Kosovo and Articles 5, 20, 34 and 35 of the Law on Pre-University Education, Article 12 of the Law on Education Inspectorate in the Republic of Kosovo, and based on Article 8 para. 1 subpara. 1.4 of Regulation (GRK) No. 06.2020 on Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries of 06.06.2020, and Article 4 of Regulation (GRK) No.7/2020 on Amendment and SUPPLEMENTATION of Regulation (GRK) No. 06.2020 on Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries of 16.06.2020.	Official Website of the Ministry	Amend and supplement the sub-legal act	Article 5 paragraph d) and the Law on Education in the Municipalities of the Republic of Kosovo does not provide for the issue of evaluation and performance of the director and deputy director of the public pre-university educational institution, but paragraph d) deals with the election of director and deputy director of the institution, while paragraph h) refers to "supervision of the educational process in accordance with the guidelines set by the MEST", which means that we are not dealing with issues of performance appraisal of the director and deputy director of the institution public pre-university education, which are the subject of the Administrative Instruction in question. Also, in the Law on Pre-University Education, Articles 5, 20, 34 and 35 do not address the legal issue of performance appraisal of the Director and Deputy Director of the public pre-university educational institution. The legal basis for issuing a bylaw for performance appraisal of teachers, director and deputy director of public pre-university educational institution, is provided in Article 12 paragraph 7 of the Law on Education Inspectorate of the Republic of Kosovo, which is relevant, while other articles highlighted as legal bases are redundant. Consequently, it is recommended to amend and supplement this bylaw, based on Article 12 (7) of the Law in force for the Inspectorate of Education and at the same time to include the matter for evaluating the performance of teachers according to the requirements of this provision.

Official Website of the Ministry	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	The issuer of this Administrative Instruction has taken Article 5 of Law no. 04 / L-032 on Pre-University Education and Article 3 paragraph 1 sub-paragraph a) of Law no. 03 / L-068 on Education in Municipalities. None of the mentioned articles of the mentioned Laws, nor in the other provisions of these Laws, has defined a concrete legal basis for the adoption of a bylaw for the professional development of school-based teachers. The legal bases outlined in the introduction to this Administrative Instruction are provisions which regulate the main responsibilities of the MEST for planning, setting standards and quality assurance of the pre-university education system, as well as general obligations (Article 5) and responsibilities in development, of policies and drafting of the implementation of legislation for the development of education including the development of higher education and science in Kosovo (Article 3 paragraph 1 under a). It means that the above-mentioned Laws do not define the relevant legal basis for the issuance of the bylaw for the development of the profession of school-based teachers. Therefore, It has been concluded that the Administrative Instruction in question was issued without a concrete legal basis provided by Law. However, in order to avoid a legal vacuum, it is recommended to remain in force until the creation of a concrete legal basis with the amendment and supplementation of the Law.

It has been concluded that the provision based on Article 5 of the Law on Scientific Research activity does not provide the legal basis for issuing a bylaw to regulate legal issues for financial support for the application of funds from MEST for scientific publications. Thus, it is confirmed that due to the non-existence of concrete legal basis provided in the Law in question for the issuance of the bylaw, the administrative instruction in question is not in accordance with applicable Law.
1307	ADMINISTRATIVE INSTRUCTION (MEST) NO.26/2016 FOR APPLICATION IN SMALL SCIENTIFIC PROJECTS	Minister of Education, Science and Technology	22.11.2016	Article 5 para. 1 subparagraph 1.19 of Law No. 04/L-135 on Scientific Research Activity (Official Gazette of the Republic of Kosovo No. 11/2 May 2013)	Official Website of the Ministry	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law. Therefore, it has been concluded that the Administrative Instruction issued, without a concrete legal basis, is considered not to have been issued in accordance with applicable Law. It has been concluded that the legal provisions on which this Administrative Instruction is based as a legal basis for its issuance (Articles 14 and 15) do not have a relevant legal basis for its issuance, respectively for the regulation of the legal issue related to the establishment, functioning and the composition of the Council for Vocational Education and Training for adults. Indeed, Article 14 provided that "KAAPRr may establish, not issue a bylaw, permanent professional committees and temporary working groups to undertake special activities", while Article 15 also did not provide for the issuance of a bylaw for the content of the Administrative Instruction in question, because the article itself has regulated the composition of the Council for Vocational Education and Training (KAPPRr). This indicates that the Ministry (MEST) establishes KAAPRr with a Decision and not with an Administrative Instruction. It has been concluded that in the above-mentioned provisions, on which the issuance of this administrative instruction is based, there is no concrete legal basis for its issuance. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.

It is ascertained that neither in Law no. 03 / L-189 on State Administration (Official Gazette of the Republic of Kosovo no. 12/21 October 2011 (Articles 4, 21 and 22) as well as Articles 1 and 6 of Law No. 04 / L-037 on Education (Official Gazette of the Republic of Kosovo no. 14/9 September 2011), there is no concrete legal basis for issuing a bylaw to regulate the issue related to "Holding student elections and election of bodies and councils in academic units in "Isa Boletini" University in Mitrovica ". Therefore, the Administrative Instruction in question is considered that there is no concrete legal basis provided in the relevant Law, so it is considered that it was issued in violation of the provisions of applicable Law. It has been concluded that the provision of Article 49 of the Law on Pre-University Education on which this Administrative Instruction is based is a general provision and not concrete and can not be considered as a relevant legal basis for the issuance of this bylaw. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.

Code no. 03 / L-109 of Customs and Excise in Kosovo, in Article 1 has determined that the customs legislation consists of this Code and of Administrative Instruction, brought by the Ministry of Economy and Finance for the implementation of this Code. 2. After analyzing the Customs and Excise Code in force, many legal bases have been identified for regulating many other legal issues in the field of customs and excises, with special administrative instructions, but with the Administrative Instruction for the implementation of the Customs and Excise Code. 3. Regarding the issuance of these bylaws by the Director General of Customs and having in mind the legislation in force for the issuance of bylaws, respectively administrative instructions, namely Article 8 paragraph 1.4 of Regulation (NRC) - No. 02/2021 on the Areas of Administrative Responsibility of the Office of the Prime Minister and the Ministries, we think that the competent body for their issuance is the Minister of Finance and not the Director General of Customs who prepares the draft bylaws for approval by the Minister. Therefore, it can not be considered that the bylaws issued by the Director General of Customs after consultation with the Minister, have been issued in accordance with applicable Law. It is recommended that in accordance with the findings of the Customs and Excise Code in force to be harmonized with Regulation (NRC) - No. 02/2021 on Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries. 4. Findings regarding the legality of Administrative Instruction no. / 2009, on the Implementation of the Customs and Excise Code After analyzing the Administrative Instruction for the implementation of this Code, which is published in the Ministry in question, it was concluded that the Instruction in question, in its introduction does not contain the concrete legal basis set out in the Code for its issuance, is not signed, and protocolled. If we consider Article 1 of the Code in question that the customs legislation in addition to the Customs and Excise Code is also "an Administrative Instruction for the implementation of this Code" can be taken as a legal basis for its issuance, which in this case has not been acted. 5.Recommendation It is recommended that the Administrative Instruction for the Implementation of the Code be harmonized with the legislation in force, defining the concrete legal basis for its issuance, and the issued instruction should be signed and recorded, while other legal issues defined for regulation to be done in Administrative instruction for the implementation of the code, and not as separate bylaws.

1551	ADMINISTRATIVE INSTRUCTION NO. 07/2010 ON THE IMPLEMENTATION OF LAW NO.03/L-170 ON CUSTOMS MEASURES FOR PROTECTION OF INTELLECTUAL PROPERTY RIGHTS	Deputy Minister	30.07.2010	Pursuant to Article 4 para. 2 and 7, Article 5 and Article 13 para. 3 of Law No. 03/L-170 on Customs Measures for Protection of Intellectual Property Rights, Minister of Economy and Finance	Official Gazette of the Republic of Kosovo	The sublegal act is legally grounded and therefore remains into force.	It has been concluded that the issuance of this Administrative Instruction has a relevant legal basis (Article 13 paragraph 3 of the Law on Customs Measures for the Protection of Intellectual Property Rights and the Administrative Instruction in question was issued in accordance with applicable Law. It is worth mentioning that the Law in question was repealed with the issuance of the new Law no. 06 / L-015 on Customs Measures for the Protection of Intellectual Property Rights (Official Gazette of the Republic of Kosovo no. 7/8 May 2018, which has not provided a legal basis for the regulation of legal issues regulated by the Administrative Instruction in question. Meanwhile, Article 35 stipulates that the bylaws for the implementation of this Law are approved within six (6) months from the date of entry into force of this Law. The Law entered into force on 15 May 2018. This means that, since the Law new regarding the legal issue in question that regulates the Administrative Instruction in question has not provided anything then it is considered that after the entry into force of the new Law in question the administrative instruction in question has been repealed. There is no need because this bylaw has been issued in accordance with the Law in force, but since the new Law in no provision addresses the legal issue, namely the need for customs measures to protect intellectual property rights, it is recommended to analyze the need of the regulation of the issues in question, to supplement the Law in question for the creation of the legal basis for the regulation of legal issues that has been regulated by the Administrative Instruction in question.

Customs Official Website	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	Regarding the legal basis of the articles on which the issuance of this bylaw is based, It has been concluded that in none of the articles mentioned as support for its issuance that there is a concrete legal basis for regulating the issues regulated by the Administrative Instruction in question. In fact, Article 93 paragraph 4 of the Constitution that has been taken as support is a provision that has to do with the competence of the Government to issue legal acts or regulations, while in this case it is a bylaw issued by the Minister in accordance with Article 8 paragraph 4 of the Regulation on the areas of administrative responsibilities of the Office of the Prime Minister and the Ministers. Whereas the reliance on Article 308 of the Customs and Excise Code is not a relevant legal basis because it is a transitional provision which regulates the deadline for the issuance of bylaws provided by the Customs Code. Therefore, It has been concluded that there is no relevant legal basis in the Customs Code for the issuance of this Administrative Instruction, so it is considered that it was not issued in accordance with applicable Law. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.

1556	ADMINISTRATIVE INSTRUCTION MF (KC) NO. 38/2017 ON AUTHORIZATION AWARD TO GET THE STATUS OF AUTHORIZED ECONOMIC OPERATOR	Director General of Kosovo Customs	27.02.2017	Director General of Kosovo Customs, based on Article 8 point (g) of the Customs and Excise Code No.03/L-109; Article 10A of the Law on Amendment and SUPPLEMENTATION of the Customs and Excise Code No. 03/L-109 (Official Gazette of the Republic of Kosovo No. 14/ 1 June 2012)	Customs Official Website	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	After analyzing the articles on which the issuance of this bylaw was based as a legal basis, it was concluded that there is no relevant concrete basis in these provisions called for its issuance. The legal basis for issuing this Administrative Instruction is provided in Article 3 paragraph 5 of the Law amending and supplementing Code no. 03 / L-109 Customs and Excise, where it is provided that "5. The General Director of Customs issues a bylaw for the implementation of this article. " Except that the bylaw is based on a provision that does not have a concrete legal basis, this bylaw is not in accordance with Article 8 paragraph 4.1 of Regulation no. 02/2011 on the areas of administrative responsibilities of the Office of the Prime Minister and the Ministries, in which the Regulation stipulates that only the Minister is competent to issue administrative instructions or bylaws. Therefore, it is considered that the administrative instruction in question has not been issued in accordance with applicable Law. This Administrative Instruction must be harmonized with the provisions of the relevant legislation in force, otherwise it must be repealed.
1557	ADMINISTRATIVE INSTRUCTION NO. ___/2012 ON PRINTING AND USE OF FISCAL BANDEROLS	Minister of finances	03.07.2012	Minister of Finance, based on Article 93 para. 4 of the Constitution of the Republic of Kosovo, Article 17 of Law No. 04/L-021 on Excise on Tobacco Products; Article 8 para. 1 subparagraph 1.4 of Regulation No. 02/2011 on Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries	Customs Official Website	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	It has been concluded that the Administrative Instruction in question was issued by the Minister in accordance with the legal basis provided in Article 17 of the Law on Excise on Tobacco Products and Article 8 paragraph 1 subparagraph 1.4 of Regulation no. 02/2011 on the areas of administrative responsibilities of the Office of the Prime Minister and the Ministries, while the reliance on Article 93 paragraph 4 of the Constitution is unnecessary and excessive, because this article is about the competencies of the Government. However, if we consider the legal basis defined in Article 17 of the Law on Excise on Tobacco Products and compare it with the title of the Administrative Instruction, it turns out that the title of this bylaw is not in full compliance, and it is not known whether it is consumed. completely legal basis, because according to this article it is stated that the Ministry of Finance issues bylaws (meaning more bylaws) for printing, monitoring, recording and use of fiscal banners and the form and content of the report from Article 16 of this Law " However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance. More specifically, it is recommended to harmonize with the legislation in force to concretize whether it is a question of bylaws or more bylaws and to delete the reliance on the provision of Article 93 of the Constitution of the Republic of Kosovo.

1558	ADMINISTRATIVE INSTRUCTION NO. 4/2012 FOR ISSUANCE OF LICENCE FOR PAYMENT OF EXCISE DUTY AND ADMINISTRATIVE TAX AMOUNT	Minister of finances	03.07.2012	Minister of Finance, based on Article 93 para. 4 of the Constitution of the Republic of Kosovo; Article 17 of Law No. 04/L-021 on Excise on Tobacco Products; Article 8 para. 1 subparagraph 1.4 of Regulation No. 02/2011 on Areas of Administrative Responsibility of the Office of the Prime Minister and Ministries	Customs Official Website	The sublegal act is legally grounded and therefore remains into force.	It is ascertained that in article 11 paragraph 3 of Law no. 04 / L-021 on Excise on Tobacco Products there is a relevant legal basis for issuing a sub-legal act setting out the procedures for issuing a license and the amount of the administrative fee. There was no need for support in Article 93 paragraph 4 of the Constitution, because it is about the competencies of the Government and not the Minister. Based on the findings, it is recommended that in the introduction of the Administrative Instruction in question to delete the words "Article 93 paragraph 4 of the Constitution of the Republic of Kosovo." The administrative instruction was issued in accordance with the law in force, except that in the introduction of the administrative instruction should be deleted the words "Article 93 paragraph 4 of the Constitution of the Republic of Kosovo" because the issuance of this act is not, according to Article 11 paragraph 3 of the Law on Excise Tobacco products is not the competence of the Government but of the Minister of Finance.
1559	INTERNAL INSTRUCTION (MF) KC NO. 42/2017 ON REVENUES RETURN PROCEDURE	Director General of Kosovo Customs	29.08.2017	Director General of the Kosovo Customs, in accordance with Article 6 of the Customs and Excise Code No. 03/L-109 of 11 November 2008, as amended and supplemented by Law No. 04/L-099 and towards implementation of Law No.03/L-48 on Public Financial Management and Accountability, Financial Rule 03/2010 on Revenues, Financial Rule 01/2013 on Expenditure of Public Money and Manual on Procedure of Return of Revenues or Deposits	Customs Official Website	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	It has been concluded that in the supported provisions of Article 6 of the Customs Code there is no relevant legal basis for the issuance of this act for the regulation of legal issues related to the procedure of return of revenues. Indeed, Article 6 8 stipulates that the Director General "shall lay down the rules for the administration of Customs, (such as: c) the Code of Conduct, d) the procedures to be followed when an officer violates the Code of Conduct etc.), means rules for the administration of Customs, organization of Customs and other issues for the efficient functioning of Customs, and not for bylaws or administrative instructions. Therefore, the Internal Guide in question is not considered a sub-legal act according to Regulation no. 02/2011 on the areas of administrative responsibilities of the Office of the Prime Minister and the Ministries because according to the Regulation of the Government in question (Article 8 paragraph 4.) it is determined that the Minister issues decisions, bylaws and concludes memorandum of understanding / cooperation within the field of administrative responsibility of the ministry. It means that the bylaws, respectively the administrative instructions for the regulation of legal issues in the field of the ministry are issued only by the ministry. Since the issuance of this Internal Guide has no relevant legal basis and has not been done in accordance with applicable law, it is recommended to harmonize the relevant law to establish the relevant legal basis. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.
1560	ADMINISTRATIVE INSTRUCTION MF (KC) NO. 44/2017 ON AMENDING AND SUPPLEMENTING THE ADMINISTRATIVE INSTRUCTION 86/2010, WHICH DEFINES THE OBLIGATION TO PLACE FISCAL CONTROL SIGNS (BANDEROLS) ON ALCOHOLIC BEVERAGES	Director General of Kosovo Customs	16.11.2017	Director General of the Kosovo Customs, in accordance with Article 242 para. 1 of the Customs and Excise Code No. 03/L-109, as amended and supplemented by Law No. 04/L-099	Customs Official Website	Amend and supplement the sub-legal act	It is confirmed that in article 242 paragraph 1 of the Customs and Excise Code no. 03 / L-109 amended and supplemented by Law no. 04 / L-099 on amending and supplementing the Code, the legal basis for issuing this bylaw has been determined, the concrete basis for issuing this Administrative Instruction has been determined and it has been issued in accordance with the legal basis defined in Article 242 paragraph 1 of the Customs Code and Excise and is formally considered to have been issued in accordance with applicable Law, but we consider that it has not been issued in accordance with Article 8 paragraph 4.1 of the provisions of Regulation no. 02/2011 on the areas of administrative responsibilities of the Office of the Prime Minister and the Ministries, because only for the Customs an exception has been made for the issuance of bylaws respectively administrative instructions and internal guidelines (as bylaws) for the implementation of the Law. It has been concluded that this is not in accordance with the legislation in force, specifically with the Government Regulation no. 02/2011 on the areas of administrative responsibilities of the Office of the Prime Minister and the ministries. It is recommended that the issue of the competence of the Director General / General in the legislation in the field of customs be harmonized with the bylaw of the Government on the areas of administrative responsibilities of the Office of the Prime Minister and the Ministries.
1561	ADMINISTRATIVE INSTRUCTION NO. 28/2016 ON AMENDING AND SUPPLEMENTING THE ADMINISTRATIVE INSTRUCTION 02/2011 THAT DEFINES THE LOCATIONS WHERE CUSTOMS STATIONS WILL BE ESTABLISHED, WORK SCHEDULE, ROADS AND PERIOD OF TIME TO PRESENT THE GOOD BROUGHT IN KOSOVO	Director General of Kosovo Customs	18.05.2016	Director General of the Kosovo Customs, acting in accordance with Article 6 para. 8 a) and b) of the Customs and Excise Code No. 03/L-109, as amended and supplemented by Law No. 04/L-099, aiming to amend and supplement Administrative Instruction No. 92/2011 defining the sites where Customs offices will be placed, working hours, roads and timelines for declaring merchandise brought to Kosovo	Customs Official Website	To be enrolled in the Official Gazette, in the Register of Bylaws and in the Official Web page of the Ministry	After analyzing the provisions on which the issuance of the bylaw in question was based, it was concluded that pursuant to Article 6 paragraph a) and b), it is in fact foreseen that the General Director lays down the rules for Customs administration, after consulting with the Minister, for setting the working hours for each customs office or tax collection office as well as to establish the working hours for each customs office or tax collection office as well as the restrictions on the work performed in them. The provision of Article 6 in question nowhere mentions the issuance of a bylaw or administrative instruction to regulate these issues. It ascertained that there is no concrete legal basis relevant for the issuance of the bylaw in question, because it is about internal rules of the body for organization, functioning, administration, etc. which are regulated by other legal acts (decision, ordinances, etc.), not by bylaw as has been done in the case in question. Also, it is found that the administrative instruction in question is not in accordance with the Regulation of the Government on the areas of administrative responsibilities of the Office of the Prime Minister and the Ministries, which stipulates that only the Minister issues administrative instructions for the implementation of Laws. Based on the emphases, it has been concluded that the issuance of this bylaw has no relevant legal basis, because it is about internal rules of administration, organization and work of the body and it is not explicitly stated in the provision that a bylaw or administrative instruction is issued, and that the issuance of the Instruction in question is also contrary to Article 8 paragraph 1.4 of the Government Regulation on the areas of administrative responsibilities of the Office of the Prime Minister and the Ministries. However, the same has already been repealed by Administrative Instruction MF (KC) no. 55/2019 on Determining the Places where the Customs Offices are located, Working Hours, Roads and Timeline for the Presentation of Goods at Customs. Therefore, the repealed remains to be recorded in the Official Gazette, the Register of bylaws and the Official Website of the Ministry.

It has been concluded that this bylaw has no relevant legal basis in Article 6 paragraph 8 point a) for its issuance, because it is provided that the Director General lays down the rules for Customs administration including: "a) after consultation with the Minister of Economy and Finance, the appointment of the places where the customs offices or tax collection offices will be located", which means that the General Director has the competence to determine the places where the offices will be located by another act (decision, etc.), and not by bylaw. customs or tax collection offices. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.

However, the same has already been repealed by Administrative Instruction MF (KC) no. 55/2019 on Determining the Places where the Customs Offices are located, Working Hours, Roads and Timeline for the Presentation of Goods at Customs. Therefore, the repealed remains to be recorded in the Official Gazette, the Register of bylaws and the Official Website of the Ministry.

Customs Official Website	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	It has been concluded that this sub-legal act has no relevant legal basis in Article 6 paragraph 8 point a) for its issuance, because it is provided that the Director General lays down the rules for Customs administration including: "a) after consultation with the Minister of Economy and Finance, the appointment of the places where the customs offices or tax collection offices will be located", which means that the General Director has the competence to determine the places where the offices will be located by another act (decision, etc.), and not by sub-legal act. customs or tax collection offices. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance. (So, the findings and recommendations given for the Administrative Instruction No. 31/2016 on Amending and Supplementing the Administrative Instruction No. 23/2016 for the simplified procedure, also apply to this Administrative Instruction which is considered to have no relevant legal basis and has not been issued in accordance with applicable law).
1565	ADMINISTRATIVE INSTRUCTION MF NO. 03/2013 ON AMENDING AND SUPPLEMENTING THE ADMINISTRATIVE INSTRUCTION NO. 69/2009 THAT DEFINE CIRCUMSTANCES FOR CONVEYANCE OF PRODUCTS WITH EXCISE AND DOCUMENTS THAT SHOULD ACCOMPANY IT	Director General of Kosovo Customs	07.03.2013	Director General of the Kosovo Customs, acting in accordance with Article 240 para. 5 of the Customs and Excise Code No. 03/L-109, as amended and supplemented by Law No. 04/L-099,	Customs Official Website	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.	It has been concluded that this sub-legal act has no relevant legal basis in Article 6 paragraph 8 point a) for its issuance, because it is provided that the Director General lays down the rules for Customs administration including: "a) after consultation with the Minister of Economy and Finance, the appointment of the places where the customs offices or tax collection offices will be located", which means that the General Director has the competence to determine the places where the offices will be located by another act (decision, etc.), and not by sub-legal act. customs or tax collection offices. However, in order to avoid the legal vacuum in this area, it is recommended to remain in force until the creation of a concrete legal basis for its issuance.

Therefore, it has been concluded that this bylaw was not issued in accordance with applicable Law. Since there is no legal basis for the issuance of this Administrative Instruction, it is recommended to harmonize in the relevant Law to determine the relevant concrete legal basis, otherwise it is recommended to repeal this bylaw.
1567	ADMINISTRATIVE INSTRUCTION NO. 03/2014 ON THE CUSTOMS OFFENCE PROCEDURE	Director General of Kosovo Customs	24.01.2014	The introduction of this sublegal act does not specify any legal provision supporting the issue thereof, but it states that its purpose is to implement the Customs and Excise Code No. 03/L-109 of 11 November 2008 and Law No. 04/L-099 on Amendment and SUPPLEMENTATION of the Customs and Excise Code No. 03/L-109	Customs Official Website	To remain in force until the creation of a concrete legal basis with the amendment and supplementation of the law.
