Prime Minister of the United Kingdom

Dear Prime Minister,

On behalf of the Republic of Kosova, I congratulate you on your election as leader of the Conservative and Unionist Party, and your appointment by Her Majesty the Queen as Prime Minister of the United Kingdom.

Our continent faces multiple challenges that require a coordinated response, and I take comfort in the clear vision you outlined in our two meetings earlier this year.

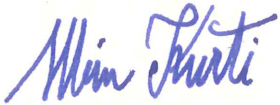

As we confront the consequences of the Covid-19 pandemic, the energy crisis, and the rising cost of living, along with growing authoritarianism and Russia's unprovoked aggression against Ukraine, we look forward to your leadership in helping Europe and the rest of the world navigate these difficult times. Please be assured that in doing so, you can count on Kosova's partnership, cooperation, and solidarity.

The United Kingdom holds a special place in the hearts and minds of the people of Kosova, because you supported us in our liberation struggle against a genocidal regime. We will never forget; and we are forever grateful.

Our government is working hard to deliver on its promises of jobs and justice for our citizens by investing in human capital, closing the skills gap by reviving the quality of our education, and reforming the justice system.

Prime Minister, I would be honoured to welcome you to Kosova at your earliest convenience. Please accept my warmest regards and my highest consideration as you take on this crucial role in these challenging times.

Sincerely,

Albin Kurti
Prime Minister of the Republic of Kosova
