

GOVERNMENT OF THE REPUBLIC OF CROATIA
THE PRIME MINISTER

Zagreb, 17 February 2025

Dear Prime Minister,

On the occasion of the 17th Anniversary of the Independence Day of the Republic of Kosovo it is my honour to extend to you my sincere congratulations, as well as best wishes for the prosperity of your country and its citizens.

Seventeen years ago, Kosovo made a historic decision to declare independence, opening a new chapter in its history. From the beginning, Croatia has been a strong advocate of your sovereignty and international recognition, fully aware of the importance of a secure and prosperous Kosovo for the entire Southeast European region.

Your recent official visit to Croatia was an opportunity to review our bilateral cooperation as well as other topics of common interest, including the signing of six agreements that will further deepen our already excellent relations.

Allow me to use this opportunity to reiterate that on this special day for your country we celebrate not only Kosovo's independence but also your progress, determination, and vision for the future. Croatia will remain by your side as a partner, friend, and ally on this journey.

Please accept, dear Prime Minister, the assurances of my highest consideration.

Andrej Plenković

His Excellency Mr Albin Kurti
Prime Minister
Republic of Kosovo
