Hon. Albin Kurti
Prime Minister
The Republic of Kosovo

Dear Prime Minister Kurti,

As the year draws to a close, I want to thank you again for taking the time to meet with me last September during your visit to New York, and to congratulate you — and the entire people of Kosovo — on the substantial progress your nation has achieved in pursuing policies aimed at democratic governance, fighting corruption, fostering economic prosperity, and promoting the rule of law. These worthy principles have guided the United States for 250 years, and will continue to prevail in both our countries through the efforts of freedom-loving people.

I would like to reiterate the strong support of the United States for the Republic of Kosovo. As the recently approved National Defense Authorization Act states explicitly, the United States stands fully behind Kosovo's efforts to join NATO and the European Union as well as supporting efforts toward the normalization of relations between Kosovo and Serbia - goals that would substantially improve both security and the rule of law throughout the Western Balkans.

I wish you all the best for peace and prosperity during this Holiday Season and look forward to our nations continuing our work together in the New Year.

Sincerely,
