Dear Prime Minister Kurti,

I hope this message finds you well as we approach the end of the year.

I appreciated the opportunity to meet during your recent visit to the United States. Thank you for sharing about Kosovo's progress in strengthening democratic institutions, advancing accountability and transparency, and fostering economic growth.

Support for the Republic of Kosovo remains strong and bipartisan in the United States Congress. Recent legislative action, including the passage of the National Defense Authorization Act for Fiscal Year 2026, underscores America's continued commitment to Kosovo's Euro-Atlantic future.. These efforts are essential for promoting long-term stability, security, and the rule of law across the Western Balkans.

As the holiday season approaches, I extend my best wishes to you and your family. I look forward to maintaining close cooperation and constructive engagement in the year ahead.

Sincerely,

A handwritten signature in black ink that reads "Michael Lawler".
