Pristina, 25th September 2026

Your Excellency,

Dear Prime Minister

Please accept my sincere congratulations on your renewed election as Prime Minister of the Republic of Kosovo.

Germany and Kosovo are connected by close and longstanding ties. Since the establishment of diplomatic relations in 2008, our partnership has grown steadily. Germany greatly values Kosovo as an important partner in the Western Balkans and remains committed to supporting stability, reform, and a European future for the region.

Significant tasks lie ahead for you and your government. For Germany, Kosovo's commitment to EU integration is a pillar of our cooperation. Germany's Western Balkans policy remains focused on EU enlargement.

The EU-led normalization dialogue with Serbia remains essential for long-term stability in the Western Balkans. I therefore hope that you and your government will commit to its swift resumption and work toward practical, mutually respectful and sustainable arrangements, as progress in this regard will be important for further advancing Kosovo's European perspective.

I very much look forward to working with you and your government to deepen our collaboration and support Kosovo's progress in these vital areas.

Yours sincerely,
