THE PRIME MINISTER

Dear Prime Minister

On behalf of the Government of the United Kingdom, I would like to congratulate you on your reappointment as Prime Minister of the Republic of Kosovo.

The UK and Kosovo enjoy a longstanding and close partnership, and we are proud to have been the first country to recognise Kosovo's independence. We remain a steadfast supporter of Kosovo's continued development as a sovereign, independent and multi-ethnic state and we greatly value our continued cooperation in promoting stability and security in Europe.

The UK remains unwavering in its efforts to promote regional stability and recognises the essential role of international justice, accountability and the rule of law in lasting reconciliation. We strongly encourage Kosovo to uphold its commitment to the full mandate of the Kosovo Specialist Chambers as an important demonstration of its democratic maturity and dedication to independent and impartial justice for all.

I look forward to working with you to address some of Europe's biggest challenges and to expanding our excellent cooperation and mutually beneficial partnership on shared priorities from strengthening our economies to countering serious organised crime.

With best wishes

Andy Burnham
